**Ono to Support Relief Efforts for Haitian Earthquake Victims**

Ono Pharmaceutical Co., Ltd. (Osaka, Japan) announced today that the company will provide donation of JPY 3 million through the Japanese Red Cross to assist relief efforts following the tragic earthquake that struck Republic of Haiti on January 12.

We would like to express our deepest sympathy for all of the people affected by the enormity of this disaster and sincerely hope that our support will help victims recover from the disaster as quickly as possible.
