ONO Selected for the DJSI World Index and DJSI Asia Pacific Index for Four Straight Years

Ono Pharmaceutical Co., Ltd. (Osaka, Japan; President and CEO: Gyo Sagara, “ONO”) announced that it has been selected for the index component of the “Dow Jones Sustainability Indices (DJSI) World,” the global version of DJSI, which is the world’s leading environmental, social and governance (ESG) investment index, and “DJSI Asia Pacific,” the Asia-Pacific version for four straight years.

DJSI world selects the top 10% of companies in each industry. The top six companies in the global pharmaceutical sector, including ONO were selected as constituents.

Member of
**Dow Jones
Sustainability Indices**
Powered by the S&P Global CSA

ONO continues to contribute to society, and work toward the realization of a sustainable society by discovering and developing innovative pharmaceutical products.

About DJSI

The DJSI is an index jointly developed by S&P Dow Jones in the U.S. and RobecoSAM in Switzerland. The companies’ activities are analyzed in terms of the three aspects of economy, environment and society, and companies evaluated with excellent sustainability are selected as an index component every year. For detailed information on DJSI's evaluation methods and criteria, please refer to the website: <https://www.spglobal.com/esg/csa/>.
