Ono Establishes a Local Subsidiary in South Korea

Ono Pharmaceutical Co., Ltd (Head Office: Osaka City, President and Representative Director:Gyo Sagara, “Ono”) announced it has decided to establish a new fully owned subsidiary in South Korea.

Ono established Seoul branch in April, 2001 in South Korea, and has been supporting local development and promotion activities of ONO Products by its licensees, Dong-A ST Co., Ltd. (Head office: Seoul City) and Ilsung Pharmaceutical Co., Ltd. (Head office: Seoul City).

While Ono continues to support for promotion of licensees through the subsidiary in scientific aspect in South Korea, where the demand for pharmaceuticals will be increased, Ono plans to commercialize specialty products such as anti-cancer agents through the subsidiary in the future.

Name : To be determined.

Location : Seoul City, South Korea

Established : Planned for December 2013
