## **ONO Supports Recommendations of the Task Force on Climate-related Financial Disclosures (TCFD)**

Ono Pharmaceutical Co., Ltd. (Osaka, Japan; President, Representative Director: Gyo Sagara, “ONO”) has expressed its support for the recommendations of the Task Force on Climate-related Financial Disclosures (TCFD).

The TCFD is a task force established in December 2015 by the Financial Stability Board (FSB), an international organization in which central banks and financial regulatory authorities in major countries are participating. The TCFD published the following recommendations to understand and disclose the financial impact of climate change on its business in June 2017.

- Support companies that disclose information on climate-related risks and opportunities
- Stabilize financial markets through a smooth transition to a low-carbon society

Under the corporate philosophy of “Dedicated to Man’s Fight against Disease and Pain”, ONO has promoted to create a healthy and sound society through the discovery and development of innovative pharmaceutical products. ONO recognizes that our business activities are supported and existing by a sound global environment, and that we are responsible for enforcing our activities toward the resolution of environmental challenge.

In June 2019, ONO established the “Environment Challenging ONO Vision for 2050 (ECO VISION 2050)”. To implement and realize the ECO VISION 2050, we have set medium- to long-term goals for achieving net zero emissions of greenhouse gas, and received an approval from the Science Based Targets (SBT) initiative, an international environmental organization.

In addition to continuous efforts toward the realization of the ECO VISION 2050, ONO will evaluate and manage climate-related risks and opportunities, and promote appropriate information disclosure.
